

George Condo at Charles Riva Collection: dark twisted realism

EXPO ELSENE 12/4/2018 KURT SNOEKX © BRUZZ

With a past in the Boston and New York punk scene, Condo's work is a continuation of his silkscreen studio of Andy Warhol's Factory, and

luister en kijk live naar BRUZZ

Basquiat, Keith Haring, William Burroughs, and Gilles Deleuze, the New York-based artist George Condo seems like a hot-blooded spark in the history of art.

But you only have to ask Kanye West what he thought of the album cover for his masterpiece *My Beautiful Dark Twisted Fantasy* to realize that the spark still shines just as brightly as ever. The painter, draughtsman, sculptor, and printmaker is presenting recent work at Charles Riva Collection.
